

# WGO New Delhi Training Center

---

Director: Dr. Shiv Sarin and Co-Director: Dr. Manoj Kumar Sharma

## Introduction:

The New Delhi Training Center was inaugurated in New Delhi, India on April 26, 2015 as a WGO Training Center.

---

## Aims/Mission:

The New Delhi Training Center mission is:

- To induct and train new generation of hepatologists.
- Provide continuous teaching and hands on training covering diverse aspects in the field of hepatology.
- Focus on the development of academic physicians in hepatology who will excel and become leaders in the field.

---

## Facilities:

The following is conducted at the Institute for Liver & Biliary Sciences:

- Hepatology including liver transplantations
- Endoscopy [Variceal screening, banding, glue injection, Danis Sx alla stent placement, and colonoscopy, diagnostic and therapeutic ERCPs and EUS]
- Radiology [CT/MRY/Contract USG] of liver
- Interventional Hepatology and radiology [Percutaneous liver biopsy, TJLB, HVPGs, TIPS, TACE, RFA, BRTO]

The teaching facilities accommodate areas of teaching in the fields of:

- Teaching sessions [journal presentations, case presentations, Seminars, management problems]
- ICU management of emergencies in liver diseases [ALF, ACLF, HE, Bleeding]
- Liver pathology
- Liver radiology
- Virological and molecular techniques in hepatology
- Hands-on training in various procedures of Hepatology [Fibroscan, Percutaneous liver biopsy, TJLB, HVPGs, TIPS, TACE, RFA, BRTO, ERCP, EUS, EGD, Colonoscopies]
- Pediatric liver diseases

---

## Areas of Training:

The New Delhi Training Center offers:

- **Short Training Courses in Hepatology:** Course duration varies from 4 to 12 weeks. The candidates can start any time during the whole year [at least 4 months of processing time is needed for formalities]
- **Advanced Hepatology Training:** The duration of the training can be either 6 or 12 month.

The duration of above training programs is modifiable as per the need and request of the candidate. Prospective candidates are advised to enter the desired duration of their training in the portal while submitting application.

---

## Instructions:

All received applications would be placed before the Competent Authority at training center for decision and result would be communicated to the trainee in due course. In case of Hands-on training experience, prior permission of the Competent Authority at ILBS and National Medical Commission (NMC) would be essential.

In case of a successful application, candidate will be communicated to submit online application to the National Medical Commission (NMC) for obtaining mandatory permission via following link:

**Registration:** <https://www.nmc.org.in/ActivitiWebClient/open/registerftpftc>

Then,

**Login:** <https://www.nmc.org.in/ActivitiWebClient/login>

Please note that the application fee at NMC as per current information is 5900/- INR (5,000 Fee + 18 % GST), subject to change from time to time.

---
